

Dear Parents,

WELCOME to a brand new school year! I am your child's Kindergarten teacher. As the year progresses, I will learn a little about your family. Let me tell you a little about mine . . .

I am a graduate of Conestoga Valley High School and Millersville University with a BS in Elementary/Early Childhood Education and a Masters degree in Special Education. My greatest teachers are my own three children. Kim is a Penn State graduate with a degree in geology. She is married to John who is also a geologist, and they are the parents of Brianna, my first grandchild. Kelly is a Penn State graduate with a degree in special education. My son, Brian is a college student. My husband, Rick, works in Leola for H.M. Stauffer and Sons, Inc. We have two very spoiled dogs. In my free time, I enjoy crafts and reading.

I have been teaching at Conestoga Valley for nine years. Before that, I taught preschool at Maple Corner Christian Nursery School in Leola for ten years.

If you ever have any questions or concerns, you can reach me here at school from 8-3:45 at 397-5246. E-mail is another option. My address is: sue_gehman @cvsd.k12.pa.us

I am excited to be a part of your child's early school experiences and look forward to a great year!

Sincerely,
